

PEST SOLUTIONS
NOTICE TO OCCUPANT
IMPORTANT- READ CAREFULLY

State law requires that you be given the following information: **CAUTION PESTICIDES ARE TOXIC CHEMICALS.** Structural pest control operators are registered and regulated by the Structural Pest Control Board, and applies pesticides which are registered and approved for use by the **California Department of Food and Agriculture and the United States environmental Protection Agency.** Registration is granted when the state finds that based on existing scientific evidence there are no appreciable risks if proper use conditions are followed or that risks are outweighed by the benefits. The degree of risk depends upon the degree of exposure should be minimized.

If within twenty four (24) hours following the application you experience symptoms of dizziness, headaches, nausea, reduced awareness, slowed movement, garbled speech or difficulty breathing, leave structure immediately and seek medical attention by contacting **your physician** or the **Poison Control Center at 1-800-222-1222 or notify Pest Solutions at 1-800-681-5141 or 323-569-7496.**
